FEEDING INSTRUCTIONS

Mix one (1) ounce of Go Juice with your daily feeding of ESP Special K Goat Feed. As a general rule of good feeding, practice, Go Juice should be introduced gradually. Amount and frequency may be varied as necessary or as directed by veterinarian.

Go Juice is a pure and natural product; some of the nutritional components in Go Juice have a tendency to settle to the bottom of the jug. This is normal and expected. Go Juice is pure with no additives to insure freshness we recommend the entire container should be consumed within two months of breaking the seal. Refrigerating opened container may extend shelf-life.

Store at 65 to 75 degrees in a dry, odor free area. Shake Well Before Use. For Animal Use Only. Keep out of reach of children.
