Rice Bran Oil

FEEDING INSTRUCTIONS

Feed one (1) ounce of The Good Stuff per feeding as a top dress. Always provide fresh, clean water. As a general rule of good feeding practice, The Good Stuff should be introduced gradually. Amount and frequency may be varied as necessary or as directed by a veterinarian.

Store at 65 to 75 degree F in a dry, odor free area. Shake well before use. For animal use only. Keep out of reach of children.
